PATENT TRADEMARK OFFICE

Dear Sir:

Petitioner, Microsoft Corporation, a corporation organized and existing under the laws of the State of Washington and having its primary place of business at One Microsoft Way, Redmond, Washington 98052 represents that it is the owner of the entire right, title and interest in U.S. Patent Application Serial No. 10/692,288, filed on October 23, 2003 and entitled System and Method For a Unified Composition Engine in a Graphics Processing System ("present application"), by virtue of our assignment recorded at Reel 015119, Frame(s) 0091.

Petitioner, Microsoft Corporation, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term as shortened by any terminal disclaimer filed prior to the grant of any patent granted from pending second U.S.

Patent Application Serial No. 10/402,322, filed on March 27, 2003, and entitled System and Method For Managing Visual Structure, Timing, and Animation in a Graphics Processing System ("second application") and hereby agrees that any patent so granted on the present application 10/692,288 shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent granted on the second application, this agreement to run with any patent granted on the present application 10/692,288 and to be binding upon the grantee, its successors, or assigns.

In making the above disclaimer, Petitioner does not disclaim the terminal part of any patent granted on the present application that would extend to the full statutory term as shortened by any terminal disclaimer filed prior to the patent grant on the second application, in the event that any such issued patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims cancelled by a reexamination certification, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

For submissions on behalf of an organization (e.g. corporation, partnership, university, government agency, etc.), the undersigned (whose title is supplied below) is empowered to act on behalf of the organization.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States

Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Date: June 1, 2005

Signed: 

Name: Joshua W. Korver
